

# Neonatal Resuscitation Provider Program

This NRP course is designed for health care professionals whose occupation requires proficiency and knowledge in neonatal resuscitation. This educational process introduces the concepts and basic skills of neonatal resuscitation. The program consists of six lessons explaining the use of resuscitation equipment and providing simulated situations for practice on manikins. This course is being offered for 8 *AMA PRA Category 1 Credit(s)*<sup>™</sup> for physicians, as based on a physician survey of needs.

## 2010 Dates & Times

January 11 - or- June 14  
- or- October 11

8:00 a.m. – 5:00 p.m.

## Location
