There's Still Time to Participate in CME Survey

Physicians can still complete the "Physician Survey of CME" posted on the mobileinfirmary.com website under "physicians only" tab. The survey is on the Upcoming CME Activities page. The deadline is May 14. Your response is appreciated. The Medical Education Committee will review responses mid-May.

OB Forms Now on the Mobile Infirmary Website

Patients can now be directed to www.mobileinfirmary.com to fill out their OB pre-registration form. Click on Patient Forms on the left side of the page.

Locking up for Safety: Surgery Department Security Notice

Access to the surgical department is now secured. Physicians continue to have access through the following entrances:

- main hall door leading to the AM admit and surgery holding room,
- back hall door near the patient conference room (pink room),
- SICU door leading into the back hall of surgery.

Access is the same as entering from the physician's parking area. In addition, a phone is located at each entrance to reach the surgery desk if needed. These changes have been endorsed by Surgical Services Committee, in a commitment is to provide our patients and the surgical team with a safe environment.

Educational Opportunities

The Mobile Infirmary Medical Center designates the following educational activities for a maximum of specified *AMA PRA Category 1 credit(s)*[™]. Physicians should only claim credit commensurate with the extent of their participation in the activity.

Mobile Infirmary Medical Center is accredited by the Medical Association of the State of Alabama to provide continuing medical education for physicians.
